

Instructions For Using LINKS Championship Courses with Microsoft GOLF

If you are using this Championship Course with Microsoft GOLF, follow the instructions below and disregard the instructions in the course manual.

- Step 1. Make sure you have at least 2.5MB of free disk space.
- Step 2. If you're in Windows, go to DOS.
- Step 3. Change to the MSGOLF directory. Type: **CD\MSGOLF** [Enter]
- Step 4. Insert DISK #1 in the floppy drive.
- Step 5. If you are using the A: drive, do the following:
Type: **COPY A:GETA.BAT** [Enter]
then type: **GETA** [Enter]

If you are using the B: drive, do the following:
Type: **COPY B:GETB.BAT** [Enter]
then type: **GETB** [Enter]

- Step 6. Follow the instructions on screen. When the installation is complete, you may re-enter Windows and start Microsoft GOLF as usual.

LINKS 386 Pro

If you are using this Championship Course with LINKS386 Pro, follow the instructions below and disregard the instructions in the course manual.

- Step 1. Make sure you have at least 4MB of free disk space.
- Step 2. Go to the LINKS386 directory. Type: **CD\LINKS386** [Enter]
- Step 3. Insert DISK #1 in the floppy drive.
- Step 4. If you are using the A: drive, do the following:
Type: **COPY A:GETA.BAT** [Enter]
then type: **GETA** [Enter]

If you are using the B: drive, do the following:
Type: **COPY B:GETB.BAT** [Enter]
then type: **GETB** [Enter]

- Step 5. Follow the instructions on screen. This will install the original version of the course.
- Step 6. When the installation is complete, convert the course to LINKS386 format.
Type: **CONVERT *.CRS** [Enter]
- Step 7. After conversion is complete, delete the original course file.
Type: **DEL *.CRS** [Enter]
- Step 8. Start LINKS386 as usual.

NOTE: If the course does not install properly, please try again while following the instructions carefully. Pay special attention to Step 1. If it still doesn't work, call our technical service department at 1-800-793-8324 Monday thru Friday between the hours of 7:30 a.m. to 8:30 p.m. Mountain Time.
